The Administrator's Office of Executive Correspondence (OEX) has relayed this message down to me for direct reply (red folder). I intend to discuss the most appropriate response with the "Rosemont team" (likely including getting Jared's thoughts at our briefing tomorrow) and then I will prepare the letter. I will be sure to share with OPA when it's completed.

Turns out I did have a copy of the letter that came in from the Tribe, sorry to mislead you!

Carter Jessop, copied here, would probably be our best source of information on what the Agency might be preparing as a response.
